

2008-2009 ANNUAL

PROGRESS REPORT

HOPE ACADEMY BROADWAY CAMPUS

FROM THE BOARD

The Board of Directors for HOPE Academy Broadway Campus is dedicated to the goal of delivering quality education for every student who attends our school. We strive constantly to assure that qualified teachers; state aligned curriculum; and state-of-the art learning systems are being provided to all students, each school day. The management company we have hired to operate the school provides a variety of support services, and works diligently to employ effective ways to teach every child who comes to HOPE Academy Broadway; regardless of his or her circumstance.

As you are probably aware, the school's 2008/2009 School Year Report Card indicates that HOPE Broadway is in Academic Emergency. If this status does not improve over the next year, the school faces the possibility of closure. The Board, the teaching staff, and school management will continue to seek ways to enhance the school's effectiveness in teaching our students.

However, actively involved parents are also critical to a child's education; and will be important to the overall success of the students, as well as the school. Learning is a process that requires the development of learning skills, good study habits, and practice. We urge you to do all that you can to help your children succeed in building a strong educational foundation which will help to prepare them for the many challenges, and opportunities, they will face throughout their lives.

FROM THE ADMINISTRATOR

Dear Friends,

It is a joy and a pleasure to be the new administrator at HOPE Academy Broadway Campus. A new school year presents opportunities for various beginnings. Newness alone cannot produce transformation. We must be willing to be caught up in the rebirth that is possible with each new year.

HOPE Academy Broadway Campus can be proud of the achievements that were made in our school, but our achievements are not due to complacency and satisfaction with the status quo. The staff consists of the dedicated, aspiring men and women that have a common goal – to do what is best for our students – and always looks for ways to achieve that goal.

This year, we will concentrate on the processes that spur continuing advancement; evaluating what we have, determining what we can do to improve, and identifying what we need to make those improvements.

- Tutored students individually and in small groups
- Adjusted instructional strategies as needed
- Adjusted lessons on an individual and whole-class basis
- Utilized computer-based lessons
- Provided ability-grouping in reading, language arts, and mathematics

MISSION

It is our mission to provide an effective, consistent, and academically rigorous education in a safe, disciplined, and nurturing environment. We will empower students to reach their fullest potential by implementing a comprehensive curriculum facilitated by highly effective educators in collaboration with families and the community, and supported by progressive technology.

Goal: Each child will learn ways to influence his or her school environment in a positive manner.

Accomplishments:

- Developed a school-wide program based on developing positive social skills through individual, small-group, and large-group student support
- Implemented CHAMPs behavior model
- Rewarded appropriate behavior
- Rewarded academic and social success through recognition awards

The accomplishments listed above are samples and not complete listings.

There is
HOPE for
every child!

STUDENT AND PARENT SURVEY RESULTS

Each year, HOPE Academy Broadway Campus surveys its parents/guardians and students. Through this feedback, we work toward better meeting the needs of students, parents/guardians, and the community. It is our belief that by identifying our strengths, as well as areas of concern, we can work toward providing a better educational experience. Below are response percentages to some of the questions asked.

SCANTRON RESULTS

HOPE Academy Broadway Campus uses Scantron to help teachers measure academic progress of students over the course of the school year. Scantron also pinpoints student needs for additional instruction to pass Ohio Achievement Tests. The chart below indicates student progress over the 2008-2009 school year. The expected progress or growth is 100% over the academic year. All percentages over 100% indicate the students exceeded academic growth expectations for their grade level.

PARENT-TEACHER CONFERENCES

Parent-teacher conferences were held October 9-10, 2008, and February 12-13, 2009. A parent or teacher may also call for a conference at any time.

COMMUNITY SCHOOL SPONSOR

Our school was visited regularly by our community school sponsor, the Ohio Council of Community Schools. The visits indicated compliance with all requirements as set by our Sponsor and the Ohio Department of Education.

STUDENTS WITH SPECIAL NEEDS

HOPE Academy Broadway Campus provides a nurturing, inclusionary environment. We assist in preparing students with special needs to lead independent and productive lives. A free and appropriate public education is provided to every student.

HOURS OF INSTRUCTION

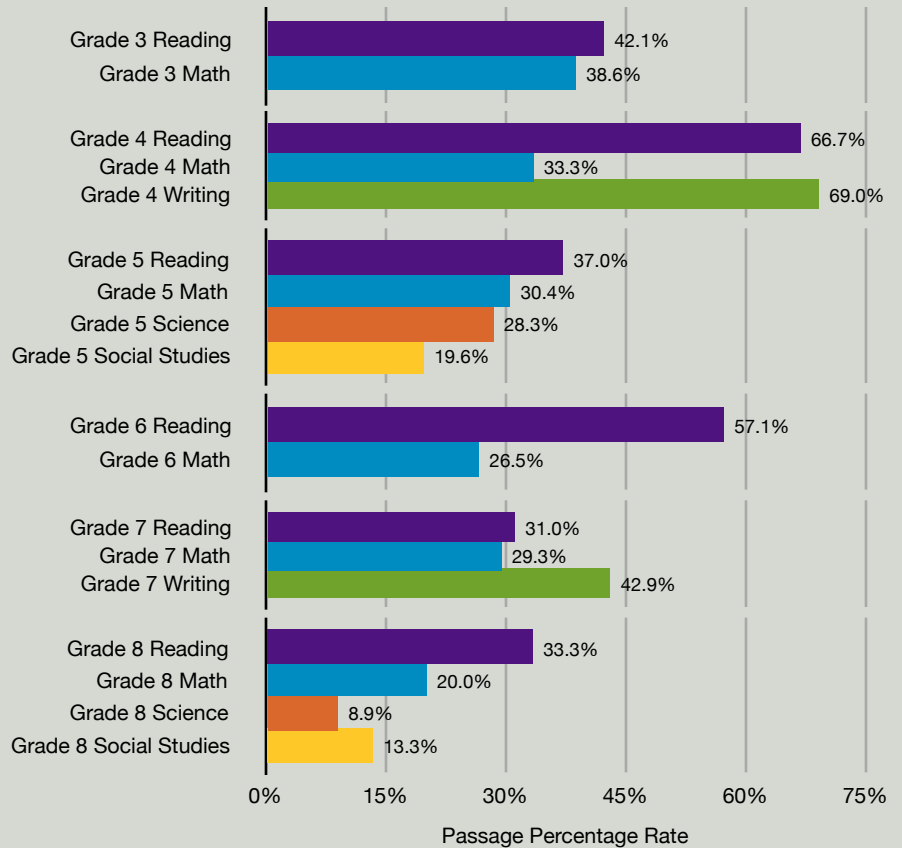

Our school provided 1,002 hours of instruction, which exceeds the 920 hours required by Ohio law. This time excludes non-academic activities.

INSTRUCTIONAL PROGRAMS

Preparing students for the future is a colossal yet exciting task. HOPE Academy Broadway Campus takes great pride in giving our teachers and students the tools they need to achieve success. Our textbooks/resources/materials are aligned with the Ohio Department of Education's State Standards. We view these standards as the road map to direct our students to their goals. By using our course of study and progressive technology, we equip our staff and students to reach their fullest potential. The combination of dedicated people and textbooks/resources/materials demonstrate our ongoing effort to give each child the best possible education.

OHIO ACHIEVEMENT TESTS (OAT) RESULTS

The Ohio Achievement Tests are required assessments for grades 3-8 that measure what students know and are able to do in mathematics, science, social studies, and writing.

VALUE-ADDED RATING

The value-added rating represents the progress made by our students since the last school year. In contrast, achievement scores represent students' performance at a point in time.
